

SAADIYAT BEACH MARINA VILLAGE

PROJECT TYPE MIXED USE (RESIDENTIAL OVER RETAIL)
BUILDING TYPE 1 CONCRETE
SIZE BUILDING AREA 38,134 S.M.

Saadiyat Beach Marina Village is envisioned to be the shopping and entertainment destination for the first phase of Saadiyat Island, Saadiyat Beach. Saadiyat Beach is being developed as an island resort-community centered on an eco-sensitive philosophy that will soon host several beach front hotels, apartments, attached and detached luxury villas. The primary project design objective is to develop the Saadiyat Beach Marina Village into a viable, successful, and vibrant destination with a complementary mix of marina, retail, commercial, residential, and community uses.
