AWARDS

2015 GOLD NUGGET
"BEST INTERNATIONAL SITE PLAN"

JZMK prepared the urban design plan for the Mivida Downtown. Mivida Downtown is part of the Mivida master plan prepared by JZMK and is envisioned as a mixed use, walkable, regional downtown. Complete with office, hotels, retail, restaurants, cafes, education, and medical facilities the Mivida Downtown will serve the future residents of Mivida as well as provide an urban core for others located in the eastern New Cairo area
