PROJECT TYPE SEMI-CUSTOM HOME
SIZE LOT SIZE: 7,887 SF
HOME SIZE: 5,264 SF

This 2-story home offers 5 Bedrooms, including a spacious Loft and a Study overlooking the Entry Foyer on the lower level. Some of the many amenities include a Gourmet kitchen with custom cabinetry, a formal Living and Dining room that feature 10'-6" ceilings throughout. An expansive front porch spans across the front entry formal Living Room where large French doors open up to the well-manicured front yard. The Master Bedroom Suite is located in the rear, overlooking the private rear yard of the home. The Master bathroom is well equipped with the finest cabinetry and a free standing tub.
