# VISTA SANTA FE

PROJECT TYPE SINGLE-FAMILY  
SIZE 4,356 - 4,922 SQ FT

There are three plans available ranging from approximately 4,356 sq. ft. to 4,922 sq. feet. The community features predominantly single-story living with some two-story living and roof decks to capture the expansive views of Rancho Santa Fe. The homes at Vista Santa Fe represent a modern twist on mid-century modern architecture, each model emphasizing the strong indoor/outdoor relationship of the design.
