

JZMK Partners is a dynamic and award winning international Architectural and Urban Planning firm that has a 55-year reputation based on the premise that design solutions should be creative, inspirational, and provide long term value. Using collaborative processes and new innovative modeling technologies; we develop timeless, environmentally sensitive and cost-effective solutions, fashioning us as one of the most respected and sought-after Architectural and Urban Planning firms in the global marketplace today. The firm's influence and geographic project experience spans globally from the United States to over fifteen countries worldwide.

OUR MISSION

With a fusion of inspired people and dynamic processes, JZMK Partners addresses client and community needs with planning and design solutions that are contextual, innovative, current and sustainable.

OUR CORE VALUES

Mutual Respect
Creative Energy
Spirit of Partnership
Do the Right Thing
Community Service

OUR VISION

JZMK Partners' vision is to contribute to humanity by creating sustainable and inspirational places.

BUILD YOUR POTENTIAL

We offer exciting opportunities to contribute to a firm dedicated to architectural design, planning and future technologies. We implement a "horizontal" team structure, and favor an open and collaborative work environment that nurtures professional growth and empowers our team. We feel strongly that employee opportunities and growth potential are great at JZMK Partners.

AVAILABLE POSITIONS

Evaluation of candidates for positions shall be based on in-office interviews, work presented, possible skill level test and professional references. To apply, provide an electronic cover letter and resume to careers@jzmkpartners.com. A portfolio will be required during in-office interview. JZMK will respond to candidates via email we believe match our available positions and requirements.

PROJECT MANAGER

Our company is in search of a self-directed and experienced Project Manager with 7-10 years of experience in multi-family residential architecture with management and technical experience in all phases of design and production: conceptual, detail and design development as well as construction documents. Candidate must exhibit strong organizational skills and be accustomed to working in a team environment with demanding schedules and deadlines. The ideal candidate can take a project through all phases of design and construction, has demonstrated expertise in Type V & Type III construction, can develop construction details and documents, possess the ability to create entitlement packages and to land plan for density studies, and is a self-starter with excellent organization, communication and interpersonal skills. Must be proficient in AutoCAD and Revit.

- 7-10 years experience in multi-family residential architecture
