Villa Verona is a 16.9 Acre Luxury Multifamily Development in Perris California. JZMK Partners has envisioned a design that is both highly efficient and highly livable for individuals and families looking for an amenity rich lifestyle. Residents will enjoy a resort style pool and clubhouse and take advantage of a generously sized central park open space as well as a volley ball court, badminton court, tot lot, climbing wall, corn hole, tennis court, pickle ball courts, dog run and more. Three-story garden style apartment buildings with tuck under parking garages house eight distinct floorplans ranging from 780 SF to 1,231 SF.
